Signature

TERRA CRUDA COLLECTION

“Terra Cruda” describes one of humankind’s earliest architectural materials: raw earth, packed together as walls and floors or shaped into sunbaked bricks. In use for millennia, terra cruda not only fosters a connection between the built world and landscape, but also creates a shared sense of culture across generations.

The Terra Cruda Collection draws its inspiration from the rugged, natural textures and accumulative layers of these earthen forms.

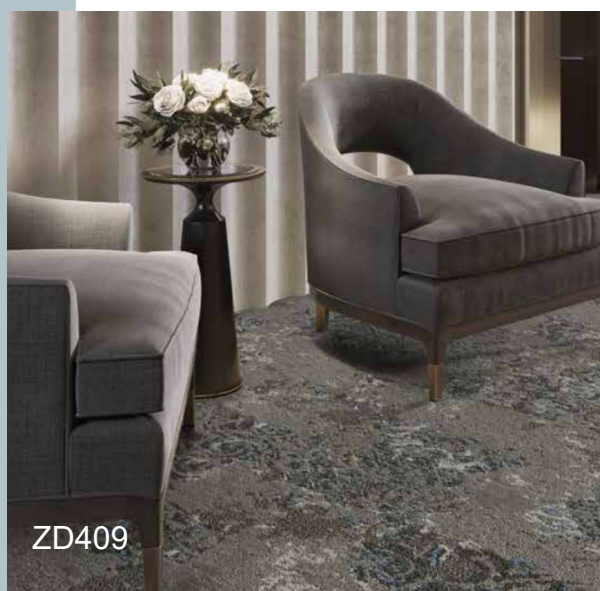

Terra Cruda features broadloom and carpet tile.

Signature

TERRA CRUDA COLLECTION

BROADLOOM

Available in nine mesmerizing patterns, the Terra Cruda Collection is available as high-performance broadloom with full color customization. Terra Cruda gives public spaces a sense of delicate complexity and a dramatic edge.

FASHION PLANE

FORMWORK

FORMWORK and FASHION PLANE

As part of the standard running line carpet tile patterns in the Terra Cruda Collection, Formwork and Fashion Plane offer twelve colorways with sizes in 24" x 24" tile and 12" x 48" plank.

Integrated coordination of broadloom and carpet tile in color and pattern work throughout a facility.

TERRA CRUDA COLLECTION

CARPET TILE

Terra Cruda Carpet Tile

Seven additional patterns from our broadloom collection are now available as carpet tile.

- Compliments running line carpet tile styles of Fashion Plane and Formwork with the same twelve colorways from soft neutrals to sophisticated metallics accentuating pattern details
- ColorPoint technology with 3 colors
- 100% solution dyed nylon
- 32 oz. tufted pile weight
- Available in 24" x 24" and 12" x 48" carpet tile size
- Coordinates with HUE solid color carpet tile available in 24" x 24" and 12" x 48"
